### Zolder 6 Hour Entry List

#### Fifty Entries – Seventeen Nations - Seven Manufacturers

The provisional entry list for the Zolder 6 Hour round of the FIM World Endurance Championship has been released.

#### Fifty Entries

Fifty teams have signed up for the race, with the permanent championship numbers swelled by a record number of wild-card entries.

Amongst the more interesting wildcard entries is the Van Zon Honda of Michael Schulten, Werner Daemen and Stephane Mertens. Schulten and Daemen qualified in second place for the Assen 500 round of the championship and former World Endurance Champion Mertens will add his considerable endurance experience and circuit knowledge to the team at Zolder.

The Metiss special is a hub-centre steered one-off machine based around a Suzuki GSX-R1000 engine, and one of the Yamahas is a locally entered 600cc YZF-R6. The Aprilia has been entered by RVC Endurance Team and the Ducati by Redfox; both are Belgian teams.
